

Caring for your entire family . . .

We understand the special bond that exists between a person and their pet as well as the unexpected emotions that may arise when we lose their endless joy and unconditional love.

We are here to guide you through the various options to create a meaningful tribute that is unique to the life you shared with your pet. Our compassionate Pet Care Professionals uphold our standards of ethics, understanding and respect for individual pet parents as well as the veterinary community.

We also understand the myriad of emotions you may be feeling and can offer additional support.

We are here for you... to ask any questions call us at 216-658-9010.

OUR MISSION STATEMENT

Each pet is special...Each family is unique. Our commitment to the families we serve is that their beloved pet be treated with dignity, respect and compassion and never lose their identity. We also assist families in helping them to pay tribute and memorialize their pet, as well as guiding them to healing on their grief journey.

Honoring Your Faithful Companion Private Pet Cremation & Memorial Services

In Association with  **PLPA**
PET LOSS PROFESSIONALS ALLIANCE

As with human beings, animals grieve as well. At our pet friendly facility, we encourage you to bring your other pets and allow them to say goodbye to their friend. All are welcome.

We have a wide selection of urns and caskets, personalized monuments, markers, garden stones as well as remembrance jewelry and keepsake gifts. We provide each family with a special paw print and fur clipping to honor your pet's memory.

Planning Ahead

Preparing yourself in advance for the death of your pet can be difficult. Knowing your various options will relieve much of the stress you may have in ensuring what you do is appropriate to honor the life of your beloved friend. When you choose DeJohn Pet Services you can rest assured your pet will receive the care and treatment in death that was important to you for them in life.

DeJohn Pet Services is owned and operated by licensed funeral directors who are also pet parents. Our Pet Loss Professionals will help you reflect upon what your pet will need in respectful death care treatment, as well as the support you will need as a grieving pet parent.

We guarantee dignified and respectful transfer of your pet from your vet clinic or your home to our pet facility. Prior to cremation, we can arrange for you to privately say your final goodbye in our Rainbow Bridge Room.

Pet parents have the option to witness the cremation in our facility with advance notice. Private, one-at-a-time cremation with our exclusive Pet Tracking System ensures your pet never loses their identity. We also promise prompt return of your pet's cremated remains.

Our Pet Loss Professionals can help you create a memorial service that is unique to the life you shared with your pet for family and friends. Services can be held in our Rainbow Bridge Room or a place special to you.

Grief Support

As highly-trained Pet Loss Professionals, we are not only educated, but honored to provide you and your family with support during your journey of grief and recovery. In addition to our personal attention, we can provide you with professional resources.

You may also join Patty DeJohn, our Grief Specialist, as she conducts a supportive evening for those who have lost a special member of the family. Our Pet Loss Bereavement Group is held every third Thursday of the month in collaboration with Animal Hospital, Inc. Please visit our website, DeJohnPetServices.com for details.
