

## GENERAL PRICE LIST

(These prices are effective as of June 15, 2023 but are subject to change without notice.)

The goods and services shown below are those we can provide to our customers. You may choose only the items you desire. However, any funeral arrangements you select will include a charge for our basic services and overhead. If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected.

This price list is offered to comply with the Federal Trade Commission's Trade Regulation Rule; Funeral Industry Practices 16 CFR Part 453. Our fees are established in consultation with a professional advisory firm, exclusively serving funeral homes.

### Service Guarantee

***If you are not completely satisfied with any of our professional services or facilities of which we cannot timely and satisfactorily correct, you will not be charged for that item of service. We take the risk out of selecting a funeral home with our written service guarantee.***

### Pre-Need Price Guarantee Option

Exclusive of CASH ADVANCES, for an additional fee of 10% over and above of the **TOTAL CASH SALE PRICE OF ITEMS SELECTED** we offer to guarantee that sufficient funds will be available at time of death. This price guarantee option is only available when pre-planning is funded through our Funeral Homes either by a paid-in-full Irrevocable Trust or by an insurance policy sold by a representative of the Funeral Homes for which payments are current and proceeds uncontested. The purchaser or the estate will be refunded any difference between the funds available at time of death and the then current prices on our General Price List and Merchandise Price List at time of death. Transfer of Ownership of each Insurance Policy or an Irrevocable Beneficiary designation requires an administrative processing fee of \$150 per policy payable at the time of transfer.

### Hospice Care Pre-Need Policy

Effective June 2017, without any financial commitment or payment whatsoever by the consumer, it is our company policy that for **individuals under hospice care**, we offer a price guaranteed quote honored for six months from the date on the Statement of Goods & Services Selected. The price guarantee is exclusive of CASH ADVANCES.

### Merchandise Warranties

The only warranty on any merchandise sold by us is the express written warranty, if any, provided by the manufacturer of such merchandise. We make no warranty, expressed or implied, with respect to merchandise. A manufacturer's warranty, if any, will be provided to you.

### Payment Policy

To lose someone you love is a devastating human experience. It can be traumatic and seriously impact one's judgment. Therefore, it is important to be realistic with respect to funeral expenditures. We do not want your choices to be more than is affordable nor less than you would like to arrange. What is important is that arrangements be in keeping with your wishes and budget. We believe in the recognition and meaningful celebration of a life that has been lived and will assist in arranging an appropriate service to meet your individual needs. We have established a uniform payment policy to serve all families fairly and to prevent misunderstandings. ***Our policy requires that financial arrangements must be completed prior to the scheduling of services or viewing times. Services can be delayed until financial arrangements are complete.***

### 12 Payment Options

Provisions for payment are due at time of arrangements. For your convenience, we accept 12 methods of payment:

- Cash ~ Check ~ Funded Pre-Arrangement Plan ~ Advanced Payment by a Forwarding / Receiving Funeral Home
- Debit Card ~ Visa ~ Mastercard ~ Discover ~ American Express -- fee of approximately 2.99% of the charged amount is added to the amount you wish to charge by the credit card processor
- Insurance Assignment of a Verifiable Policy -- fee of up to 3.50% of the assigned amount
- Financing obtained by purchaser through a bank or by LendingUSA™ ~ to check the rates you qualify for, LendingUSA does a soft credit pull that will not impact your credit score. If you choose to continue your application, your full credit report will be requested from one or more consumer reporting agencies, which is considered a hard credit pull.

*DeJohn Funeral Homes does not accept future payment from "Estate Funds"*

# *Policy on Custodial Care and Reserving Chapel Space for Visitation and Ceremonies*

Due to circumstances families routinely encounter in planning and arranging services, we want to make certain of the understandings and policies we offer to ensure your options are fulfilled as you desire.

Saturday funeral services are more common and desired for the convenience of family and friends and for travel planning. Cremation before any public services requires coordination of several factors some which are out of our control, including release of the deceased person by the Medical Examiner or Coroner, Proper signatures on the Death Certificate and Cremation Permit, and the Crematory schedule. Every effort is made to accommodate all preferences. We pride ourselves on going above and beyond to serve the needs and desires of families. With that mission, certain choices families make require additional efforts and potential and unforeseen issues. The following policies help to address these issues and desires and keep the level of service fair to all families we serve.

## **Custodial Care**

**Included in our Basic Services and Overhead charge is Custodial Care of the person for 4 nights. Any nights a person is in our care starting on the 5<sup>th</sup> night and beyond will incur a charge of \$90 per night. The reasons include additional preparation and daily care of the deceased person, additional liability, and staffing. Example scenarios include:**

- **Person dies on Sunday, Arrangements made on Monday, Wake on Friday, Service on Saturday**
  - **Person in our care for 6 nights. Additional cost is 2 nights for total of \$180**
- **Person dies on Wednesday, Arrangements made on Thursday, Wake on Monday, Service on Tuesday**
  - **Person in our care for 6 nights. Additional cost is 2 nights for total of \$180**
- **Person dies on Friday, arrangements made on Monday, Wake on Sunday, Service on Monday**
  - **Person in our care for 10 nights. Additional cost is 6 nights for a total of \$540**

## **Chapel Reservations**

**We make every effort to accommodate each family for their individual schedule and needs and desires regarding our facilities. We make every effort to accommodate services when desired. We offer multiple locations that are in proximity to satisfy the needs and desired schedule. Our facilities are designed to accommodate the following:**

LOCATION	DESIGNED TO ACCOMMODATE	SIZE	IDEALLY / NORMALLY
South Euclid	3 Chapels ~ 3 Funerals	30x30 each room with large room split in half	One large 60x30 Fireplace Room 30x30
Willoughby Hills	3 Chapels ~ 3 Funerals	Two 30x30 One 55x35	One large 60x30 Fireplace Room 55x35
Chesterland	2 Chapels ~ 2 Funerals	Two 37x36	One large 74x36
Chardon	1 Chapel ~ 1 Funeral		One Chapel

**In many situations, the 'Ideally' is how the schedule works. Should a family want to schedule more than two days from the Arrangement meeting, there will be a guarantee of Chapel space using the 'Designed to accommodate' parameters. In this case, should a family want to guarantee a certain 'Ideally' Chapel, an additional fee of \$800 will be added. If more families request that same date, but the additional fee was elected, those families would have to schedule another date or location. If no other families desire that date and the 'Ideally' is the situation, then the \$800 additional fee would be eliminated. This option allows families to schedule further out then we can predict and guarantee the space desired. Custodial Care fees would also apply.**

# Things to Remember

## DEATH CERTIFICATES

It usually takes about 2 weeks (6-8 weeks when the Medical Examiner / Coroner is involved) to receive the certified copies of the death certificate. When the certificate is signed by the doctor, it is filed with the Board of Health who issues the certified copies. You will be called when we receive the copies. These official certified copies will probably be needed for most legal transactions.

## SOCIAL SECURITY

If the deceased has a surviving spouse and is eligible for benefits, there will be a lump-sum death benefit of \$255 payable to that surviving spouse. This person must make the application for the money personally. This benefit can be applied for by telephoning the Social Security office at 1-800-772-1213

## VETERAN'S BENEFITS

We need an original copy of the discharge papers so that an American flag can be obtained. A government grave marker is available for any honorably discharged veteran if so desired. Veterans who are receiving monthly checks for disability or pension or who are in a veteran's hospital at the time of death are eligible for a lump-sum interment allowance. Veterans in the veteran's hospital are also eligible for the transportation charge from the VA hospital to the funeral home. We can provide you with the proper forms.
